TEEN VOGUE POLL

Catwalker Lydia Hearst created a stir when she wore an "Eat or Die" T-shirt to her first round of shows. Which side are you taking in the new campaign for healthier looking models?

- For: With healthier models, hopefully ideal body images will change for the better.
- Against: Telling someone to gain weight is as bad as telling them to lose weight.
- Neutral: Being healthy is great, but I don't want to alienate anyone who's naturally thin.
